

## KEY FEATURES

- FST PURE® Fine Pitch Flat Picture Tube
- 2-Line Digital Comb Filter
- 16:9 Mode

- Double Baffle Speaker System
- StableSound®

- Sleep Timer
- Channel Lock
- Video Lock

## ADVANTAGE TOSHIBA

- >> 20" FST PURE® flat tube eliminates unwanted reflections from room light compared to conventional tubes designs and increases viewing angle
- >> Invar Shadow Mask enhances color reproduction thanks to its nickel-alloy construction, making it more heat resistant than conventional iron masks
- >> MTS Stereo with dbx® provides full broadcast stereo sound quality with access to bilingual or secondary audio signals
- >> Tri-Lingual OSD allows for easy operation for English, Spanish, and French speaking viewers
- >> ColorStream® Component Video Input provides the ultimate picture quality from interlaced component video signals
- >> Front Panel A/V Input for easy connection of video games or a camcorder

# TOSHIBA

## TECHNOLOGY & BENEFITS

### VIDEO

**FST PURE® Fine Pitch Flat Picture Tube** - This "purely flat" picture tube delivers increased viewing angle along with the enhanced picture linearity necessary to produce accurate life-like images.

### AUDIO

**Double Baffle Speaker System** - Provides improved stereo sound reproduction without connecting additional speakers.

**StableSound®** - Maintains television volume within a preset range regardless of the source signal.

### CONVENIENCE

**Sleep Timer** - Allows the viewer to set the television to shut off automatically after a preset amount of time.

**Channel Lock** - Selected channels can be locked out to prevent viewing. Channels can be unlocked by entering a secret code.

**Video Lock** - Selected inputs can be locked out to prevent viewing.
